RESPONSIBLE OPERATION

Attica Group is the first shipping Group in Greece, the third in the Mediterranean and among the top 10 in Europe, setting the pace in passenger shipping. With operations geared towards benefiting our partners and local communities, we limit our environmental footprint and create added value for our shareholders and employees. Through the years, our strategy and one of our Group's corporate values has steadily been to maintain practices that promote Fair Entrepreneurship. In doing so, we have responded decisively, adopting a long-term perspective in terms of our customers' needs, our multifaceted contribution to society and the protection of the environment. This is clearly demonstrated by the fact that we were the first company in the passenger shipping industry globally to issue a Responsibility Report based on the Global Reporting Initiative (GRI) standards, and continue to do so.

Our Responsibility Reports are available at www.attica-group.com

Port Entrance Passenger Terminal Port Agent's Office

Jointly operated with ANEK LINES

GENERAL TERMS AND CONDITIONS/ INFORMATION 2023

2023

Passengers, their luggage and accompanied vehicles are carried subject to the International Treaties and Conventions and the general conditions of carriage (collectively referred to as "General Terms and Conditions") as these conditions were determined by "ANEK - SUPERFAST JOINT VENTURE" (hereinafter referred to as "the Company"). These General Terms and Conditions include exclusions and limitations of carriers' liability for death, illness or for damage to or loss of vehicles and luggage or for delay or deviation. Copies of the General Terms and Conditions of carriage of the Company are available upon request.

Timetables - Fares

Fares and timetables listed in the catalogue of the Company are based on conditions existing at the time of print. If any conditions should change after the time of print, the Company reserves the right to make changes to the timetable, the fares and the routes or to refrain from contractual obligations without prior notice. The Company however is not liable for any damages resulting thereof. The aforementioned conditions include any kind of unforeseeable circumstances like an increase in fuel prices or currency fluctuation. In the unlikely event that contractual obligations may not be fulfilled, the customer is entitled to a full refund of payments made. The Company cannot be held liable for any delays caused by third parties, port authorities, or extreme and unusual weather conditions. Schedules are subject to change without prior notice.

Reservation Requirements

In compliance with international SOLAS regulations and EU Law, passengers are required to supply the following information during reservation: Name and Surname, Gender, Date of birth, Nationality, Contact phone number or email address, Type and Registration number of vehicle (if applicable), Type of Identification (ID card, passport or other), Identification Number (ID card, passport or other).

Ticket Validity

Tickets are valid for one year from the date of issue (not print or reservation) except for tickets with special fare that have restricted validity. A ticket is not transferable unless otherwise provided by law. The person allowed to travel is the person named on the ticket (passage contract). Change of a passenger's name and surname on an issued ticket is not acceptable. The Company reserves the right to request passengers to present valid identification documents before travelling and will not be held liable if a passenger - other than the person entitled to travel under a ticket - who has presented identification documents to the Company corresponding to the passenger named on the ticket has travelled and/or has been reimbursed.

Exchange Rate

The fares of tickets purchased in other countries or onboard may differ due to fluctuations in the exchange rate.

Cancellations - Refunds

Cancellations can be made at the travel agency, port agency, Premium Sales Agent or at the offices of the Company where reservation and payment were made. Depending on the time of cancellation and in relation to the travel date, the following amounts are refunded:

- A 100% refund, up to 22 days prior to departure.
- A 80% refund, from 21 days up to 8 days prior to departure.
- A 50% refund, from 7 days to 24 hours prior to departure.
- The Company has no obligation to refund in case of cancellations made less than 24 hours prior to ship's departure or if the passenger does not report at check-in.
- In the event of a partial cancellation of a round trip of which one crossing has been completed, the passenger will be refunded as above (based on the time of cancellation) for the crossing that is not completed.
- In the event of a whole cancellation of a round trip,

the passenger will be refunded as above (based on the time of cancellation).

- Above refund policy is not valid to tickets issued with a special offer (e.g. Early Booking). In such cases, the cancellation terms of the offer are applicable. Tickets can be converted to OPEN date tickets or to another departure date up to four (4) hours prior to ship's departure. If these tickets are cancelled, the date the tickets have been converted to open date or to another departure date is considered as the date of cancellation and the refund is calculated in relation to the original travel date.

A request for refund must be made in writing. Cancellations and refunds can only be settled through the travel agency, Premium Sales Agent or offices of the Company, where tickets were issued. Refunds for expired tickets are not possible. Port Agencies may cancel a ticket once check-in has been finalized but cannot refund money. The Company is entitled to retain the total value of ticket if the passenger interrupts his voyage at an intermediate port, unless the interruption is due to illness, accident or force majeure.

Open Tickets

An open return date ticket, originally issued as open, not converted to open, is valid for one year from the date of issue (not print or reservation) and is refunded, if cancelled, with a 100% refund, provided that the cancellation request is made before its expiration. A ticket converted to open date ticket is valid for one year from the date of issue (not print or reservation) of the initial ticket and, if cancelled, it is refunded according to the cancellation policy of the initial ticket. Passengers with an open return ticket must reserve their return journey well in advance through the travel agency, Premium Sales Agent, port agency or the offices of the Company, where reservation and payment were made. Open return fares are always calculated based on the low season fare. In the event that a passenger travels in shoulder or high season or during a period in which a new tariff is in force, then the difference between the current and the pre-paid fare has to be paid by the passenger. Reservation takes place according to availability. The Company cannot always secure the reservation of the passengers on their desired travel dates or accommodation type. Alternative travel dates or accommodation types may be offered.

Lost Tickets

In case of a lost ticket, the passenger must immediately notify the issuing travel agent, Premium Sales Agent, port agent or the Company. The reprinted ticket can only be picked up by the travelling passenger with valid identification at the port of departure.

Note: At check-in, all passengers must provide a valid identification card or passport.

Discounts

Following passengers are entitled discounted fares: a) infants, b) children, c) senior citizens, d) students, e) youths f) members of specific automobile associations & camping clubs, g) Aneksmart or Seasmiles loyalty club members. Valid proof that passengers are entitled discounted fares should be presented upon reservation and during check-in. Discounts should be claimed upon reservation. After the voyage, no fare may be refunded.

Group Requests

Group fares can be requested through the Company, travel agencies and Premium Sales Agents. A group consists of minimum 16 passengers. For the period from 15.07 until 15.09, a group consists of minimum 20 passengers.

Unaccompanied Children

The Company does not accept reservations for children under 15-years of age who are not accompanied by adults. Reservations for young people between 15 to 18-years of age can be accepted upon specific written permission by the parent or legal guardian for the unaccompanied voyage. Appropriate forms are available at the offices of the

Company (Customer Service, tel.: +30 210 89 19 010, e-mail: cs.adriatic@superfast.com for Superfast Ferries vessels and tel.: +30 210 41 97 470, e-mail: customerservice@anek.gr for Anek Lines vessels).

Disabled passengers

On board our vessels there are specially designed cabins with easy access and operation to accommodate disabled passengers. Due to a limited number of such cabins, it is necessary to reserve in advance. For further assistance, please call the Customer Service Direct Line.

Pets

On board our vessels there is a number of kennels available, which are necessary to be booked in advance. Furthermore, there is a limited number of cabins available for pet carriage. It is also necessary to reserve these in advance. Unaccompanied pets are not acceptable.

Owners or guardians are required to have their pet's valid health documents with them while travelling (EU citizens are additionally required to have their EU Pet Passport) and follow all entry regulations. For all cats, dogs and ferrets a valid rabies immunization document is mandatory. For more information, please always check with your veterinary and your local travel agent. Pets are not allowed indoors (bars, restaurants and other public areas) or in vehicles (unless you have booked camping on board), while access to the vehicle deck is forbidden during crossings. While walking on the open decks, pets are required to wear a muzzle and be on a leash, accompanied by the pet owner or guardian. The pet owner or guardian is held fully responsible for the care, safety and hygiene of the pet and for adhering to all laws and regulations related to the above.

Furthermore, pet owners are solely responsible for any possible harm or damage caused by their animals to any third party. Excluded from the above-mentioned restrictions are animals that guard and assist people with disabilities that may accompany their owners. Owners must hold the appropriate certificates for these animals. Note: Carriage of live animals (other than pets) is governed by the cargo terms and conditions of the Company. For more information, passengers should contact the Customer Service department of the Company.

Camping on Board

Camping on board is permissible from April 1st to October 31st. The passengers travelling with a caravan or a camper should check in at least 3 hours prior to the scheduled departure time. Delayed arrival of a camper may hinder boarding on the open deck. Due to the limited space for camping on board, it is advisable to book well in advance. For safety reasons, cooking and the use of gas or fire by camping-on-board passengers is strictly forbidden. Please pay special attention to the camping on-board instructions available on board. Camping on board is permitted for clients traveling with vehicles officially registered as camping vehicles, campers and caravans. Regular cars and/or minibus vehicles are not permitted for camping on board. Any vehicles that are not registered as camping vehicles will not be permitted for camping on board and clients will be denied access to the open deck.

Meals & Drinks

Meals and drinks are not included in the price of the ticket.

Personal Belongings

Passengers may hand in their valuables for safekeeping at Purser's Office, if their total value does not exceed 500€. The Company is not responsible for the loss of money or valuables left in open storage spaces or in cabins. Please, report the loss of any personal item to the Reception Desk on board during the voyage or call the Customer Service Direct Line. Personal belongings that have been left in vehicles will not be accessible during the voyage since entry to the garage is prohibited after ship's departure.

Boarding Procedure / Entry Regulations

Due to our compliance with the security regulations of the ISPS (International Ship and Port Facility Security) code, all passengers are kindly required to proceed to the embarkation area, at least 3 hours prior to the scheduled departure time. All passengers are required to present their boarding card, a valid passport or ID, their vehicle's license as well as any valid document that proves that they are entitled discounted tickets (if they have such tickets) during check-in and to the vessel's authorized personnel. The Company reserves the Company's rights to deny embarkation to any individual who, according to the best of Company's knowledge, does not appear to possess valid travel documents or fails to prove, beyond a doubt, his/her identity. In the event of a fine being imposed on the Company by the immigration office, the amount will be charged to the passenger who failed to provide the proper legal documents. The Company cannot be held responsible in the event that authorities prevent a passenger from continuing his/her journey. In the event of immigration officials refusing entry, the passenger will be sent back to his/her departure place at his/her own expense. We would recommend that citizens of all states contact the appropriate consulate for details. Infants and children also require official documents of identification. All persons and all items brought on board the Vessel are liable to be searched. Persons refusing to comply with this demand shall be denied access on board and will be reported to the appropriate port authorities. If a passenger boarded on the Vessel wishes to disembark prior to departure, he/she must take all their carrying luggage and/or vehicle. In the case of vehicles of all kind, please bear in mind the possibility of you being unable to remove them from the vessel's garage due to their pre-arranged parking positions.
