 **SUPERFAST FERRIES®**

ONE GROUP, 5 LEADING BRANDS, 1 COMMON MISSION

Attica Group is engaged in passenger shipping through Superfast Ferries, Blue Star Ferries, Hellenic Seaways, Anek Lines and Africa Morocco Link, with a total of 45 vessels providing modern, high-quality transportation services in Greece and abroad.

Attica's vessels serve over 60 unique destinations and more than 75 ports in 4 countries, transporting over 7.9 million passengers, 1.390 million passenger vehicles, 590.000 trucks and 22.300 itineraries every year. More specifically, Attica Group operates in the Greek seas (Cyclades, Dodecanese, Crete and islands of the North Aegean, Saronic Gulf and Sporades) via Blue Star Ferries, Hellenic Seaways and Anek Lines, and on international routes (Italy-Greece) via Superfast Ferries.

It also holds a 49% stake in Africa Morocco Links running between Morocco and Spain.

RESPONSIBLE OPERATION

Attica Group is the largest Greek Passenger Shipping Group. Ranking 2nd globally in terms of passenger carrying capacity and 5th in truck carrying capacity, it is among the 25 largest listed companies in Greece.

As innovators in passenger shipping, through our operations not only do we benefit our partners and local communities, but also we limit our environmental footprint and create added value for shareholders and employees.

Strategically oriented towards environmentally friendly policies, sustainable development, ensuring territorial continuity and social cohesion, we're working towards a better tomorrow for both people and the natural environment, now and in the future. This is clearly demonstrated by the fact that we were the first company in the passenger shipping industry globally to issue a Responsibility and Sustainability Report based on the Global Reporting Initiative (GRI) standards, and we continue to do so annually. Our Responsibility and Sustainability Reports are available at www.attica-group.com

In compliance with international SOLAS regulations and EU Law, passengers are required to supply the following information during reservation: Name and Surname, Gender, Date of birth, Nationality, Contact phone number, email address, Type and Registration number of vehicle (if applicable), Type of Identification (ID card, passport or other), Identification Number (ID card, passport or other). In addition, if passengers are travelling with pets, it is mandatory to submit the Pet's Passport or the Pet's Health Certificate number.

Ticket Validity

Tickets are valid for one year from the date of travel (not issuance, print or reservation) except for tickets with special fare that have restricted validity. In the case of a replacement ticket (new travel date, conversion to an open date ticket), once or several times, the validity of the original ticket is retained. A ticket is not transferable unless otherwise provided by law. The person allowed to travel is the person named on the ticket (passage contract). Change of a passenger's name and surname on an issued ticket is not acceptable. The Company reserves the right to request passengers to present valid identification documents before travelling and will not be held liable if a passenger -other than the person entitled to travel under a ticket- who has presented identification documents to the Company corresponding to the passenger named on the ticket has travelled and/or has been reimbursed.

Exchange Rate

The fares of tickets purchased in other countries or onboard may differ due to fluctuations in the exchange rate.

Cancellations – Refunds

Cancellations can be made at the travel agency, port agency, Premium Sales Agent or at the offices of the Company where reservation and payment were made. Apart from the fuel surcharge and the EU Emissions Trading System charge (ETS), which are fully refundable in the event of cancellation, the refunded fare rate depends on the time of cancellation and in relation to the travel date. In particular, the following amounts are refunded:

- A 100% refund, up to 22 days prior to departure.
- A 80% refund, from 21 days up to 8 days prior to departure.
- A 50% refund, from 7 days to 24 hours prior to departure.
- The Company has no obligation to refund in case of cancellations made less than 24 hours prior to ship's departure or if the passenger does not report at check-in.
- In the event of a partial cancellation of a round

trip of which one crossing has been completed, the passenger will be refunded as above (based on the time of cancellation) for the crossing that is not completed.

- In the event of a whole cancellation of a round trip, the passenger will be refunded as above (based on the time of cancellation).
- Above refund policy is not valid to tickets issued with a special offer (e.g. Early Booking). In such cases, the cancellation terms of the offer are applicable.

Tickets can be converted to OPEN date tickets or to another departure date up to four (4) hours prior to ship's departure. If these tickets are cancelled, the date the tickets have been converted to open date or to another departure date is considered as the date of cancellation and the refund is calculated in relation to the original travel date.

A request for refund must be made in writing and submitted within two months from the date of travel. Cancellations and refunds can only be settled through the travel agency, Premium Sales Agent or offices of the Company, where tickets were issued. Refunds for expired tickets are not possible. The Company is entitled to retain the total value of ticket if the passenger interrupts his voyage at an intermediate port, unless the interruption is due to illness, accident, or force majeure.

Open Tickets

An open return date ticket, originally issued as open, not converted to open, is valid for one year from the date of issue (not print or reservation) and is refunded, if cancelled, with a 100% refund, provided that the cancellation request is made before its expiration. A ticket converted to open date ticket is valid for one year from the date of travel (not issuance, print or reservation) of the initial ticket. If cancelled, the date the ticket has been converted to open is considered as the cancellation date and it is refunded in relation to the date of travel of the initial ticket. Passengers with an open return ticket must reserve their return journey well in advance through the travel agency, Premium Sales Agent, port agency or the offices of the Company, where reservation and payment were made. Open return fares are always calculated based on the low season fare. In the event that a passenger travels in shoulder or high season or during a period in which a new tariff is in force, then the difference between the current and the pre-paid fare has to be paid by the passenger. Reservation takes place according to availability. The Company cannot always secure the reservation of the passengers on their desired travel dates or accommodation type. Alternative travel dates or accommodation types may be offered.

Lost Tickets

In case of a lost ticket, the passenger must immediately notify the issuing travel agent, Premium Sales Agent, port agent or the Company. The reprinted ticket can only be picked up by the travelling passenger with valid identification at the port of departure. Note: At check-in, all passengers must provide a valid original identification card or passport.

Discounts

Following passengers are entitled discounted fares: 1) infants, 2) children 4-12 years old, 3) senior citizens, 4) youths, 5) members of specific automobile associations & camping clubs, 6) Eurail, Interrail, Balkan Flexipass, RIT, DB Autozug, FIP and NRT rail ticket holders, 7) Seasmiles loyalty club members. Valid original proof that passengers are entitled discounted fares should be presented upon reservation and during check-in. Discounts should be claimed upon reservation. After the voyage, no fare may be refunded.

Group Requests

Group fares can be requested through the Company, travel agencies and Premium Sales Agents. A group consists of minimum 16 passengers. For the period from 15.07 until 15.09, a group consists of minimum 20 passengers.

Unaccompanied Children

The Company does not accept reservations for children under 15-years of age who are not accompanied by adults. Reservations for young people between 15 to 18-years of age can be accepted

upon specific written permission by the parent or legal guardian for the unaccompanied voyage. Appropriate forms are available at the offices of the Company (Customer Service, tel.: +30 210 89 19 010, E-Mail: cs@attica-group.com).

Disabled passengers

On board our vessels there are specially designed cabins with easy access and operation to accommodate disabled passengers. Due to a limited number of such cabins, it is necessary to reserve in advance. For further assistance, please call the Customer Service Direct Line.

Pets

Based on the existing legislative framework, it is mandatory to register pets traveling by vessels in the electronic Reservation System. Passengers traveling with pets must declare this when booking/issuing their tickets, so that tickets can also be issued for the pets.

According to the European regulation, the number of pets that can accompany the owner or guardian during a non-commercial journey does not exceed five (5).

On board our vessels there are a few kennels available, which are necessary to be booked in advance. Furthermore, there is a limited number of cabins available for pet carriage. It is also necessary to reserve these in advance. Unaccompanied pets are not acceptable.

Owners or guardians are required to have their pet's valid health documents with them while travelling (EU citizens are additionally required to have their EU Pet Passport) and follow all entry regulations. For all cats, dogs and ferrets a valid rabies immunization document is mandatory. For more information, please always check with your veterinary and your local travel agent. Pets are not allowed indoors (bars, restaurants and other public areas) or in vehicles (unless you have booked camping on board), while access to the vehicle deck is forbidden during crossings. While walking on the open decks, pets are required to wear a muzzle and be on a leash, accompanied by the pet owner or guardian. The pet owner or guardian is held fully responsible for the care, safety and hygiene of the pet and for adhering to all laws and regulations related to the above.

Furthermore, pet owners are solely responsible for any possible harm or damage caused by their animals to any third party. Excluded from the above-mentioned restrictions are assistance and therapy dogs which, as long as they are on a leash, may accompany their owner indoors without a transport cage and without a muzzle, regardless of their size. Owners must hold the appropriate certificates for these animals. Note: Carriage of live animals (other than pets) is governed by the cargo terms and conditions of the Company. For more information, passengers should contact the Customer Service department of the Company.

Camping on Board

Camping on board is permissible from April 1st to October 31st. The passengers travelling with a caravan or a camper should check in at least 3 hours prior to the scheduled departure time. Delayed arrival of a camper may hinder boarding on the open deck. Due to the limited space for camping on board, it is advisable to book well in advance. For safety reasons, cooking and the use of gas or fire by camping-on-board passengers is strictly forbidden. Please pay special attention to the camping on-board instructions available on board. Camping on board is permitted for clients traveling with vehicles officially registered as camping vehicles, campers and caravans. Regular cars and/or minibus vehicles are not permitted for camping on board. Any vehicles that are not registered as camping vehicles will not be permitted for camping on board and clients will be denied access to the open deck.

Campers / Caravans

The LPG/gas supply should remain closed during the trip.

Vehicles using alternative fuels

It is not possible to board private vehicles using alternative fuels (Alternative Fuel Vehicles AFVs) as "unaccompanied".

Meals & Drinks

Meals and drinks are not included in the price of the ticket.

Personal Belongings

Passengers may hand in their valuables for safekeeping at Purser's Office, if their total value does not exceed 500€. The Company is not responsible for the loss of money or valuables left in open storage spaces or in cabins. Please, report the loss of any personal item to the Reception Desk on board during the voyage or call the Customer Service Direct Line. Personal belongings that have been left in vehicles will not be accessible during the voyage since entry to the garage is prohibited after ship's departure.

Boarding Procedure / Entry Regulations

Due to our compliance with the security regulations of the ISPS (International Ship and Port Facility Security) code, all passengers are kindly required to proceed to the embarkation area, at least 3 hours prior to the scheduled departure time. All passengers are required to present their boarding card, a valid passport or ID, their vehicle's license as well as any valid document that proves that they are entitled discounted tickets (if they have such tickets) during check-in and to the vessel's authorized personnel. The Company reserves the Company's rights to deny embarkation to any individual who, according to the best of Company's knowledge, does not appear to possess valid travel documents or fails to prove, beyond a doubt, his/her identity. In the event of a fine being imposed on the Company by the immigration office, the amount will be charged to the passenger who failed to provide the proper legal documents. The Company cannot be held responsible in the event that authorities prevent a passenger from continuing his/her journey. In the event of immigration officials refusing entry, the passenger will be sent back to his/her departure place at his/her own expense. We would recommend that citizens of all states contact the appropriate consulate for details. Infants and children also require official documents of identification. All persons and all items brought on board the Vessel are liable to be searched. Persons refusing to comply with this demand shall be denied access on board and will be reported to the appropriate port authorities. If a passenger boarded on the Vessel wishes to disembark prior to departure, he/she must take all their carrying luggage and/or vehicle. In the case of vehicles of all kind, please bear in mind the possibility of you being unable to remove them from the vessel's garage due to their pre-arranged parking positions. Carriage of guns, cartridges, explosive, flammable, combustible and in general hazardous materials is strictly prohibited.

Currency on board

The currency used on board is Euro. ATM cash points are available on board Superfast Ferries vessels. Major credit cards are accepted.

Telecommunications & Internet

The following communication options are available on board:

- The use of personal cellular (mobile) phones during the entire duration of the voyage. There are different rates for this satellite roaming service. For any information about the rates of this service, please contact your mobile network provider.
- Wireless Internet connection (Wi-Fi) during the entire trip by purchasing a satellite connection card.

Customer Service Direct Line

For any Customer Service inquiries, comments or suggestions, please call, tel.: +30 210 8919010 or send us an e-mail at cs@attica-group.com.

Useful Information

Each cabin is characterized and offered with the corresponding price list fare as 2-bed, 3-bed or 4-bed, depending on the number of passengers that use it, and not the number of beds existing in the cabin, or the (extra) facilities it may provide. Passengers may freely use all public areas of the vessels (bars, restaurants, lounges, etc.). Sleeping in the lounges or corridors is prohibited. Passengers should comply with the crew's instructions regarding the adherence to safety rules and the vessel's good operation.

Modification of Terms

The Company reserves the right to modify or even unilaterally renew the above General Terms at any time, even after the completion of the booking process and is under no obligation to inform the passenger in advance. Indicatively, the Company may modify the terms of cancellations - refunds - open tickets due to changes in the existing national or European legal framework.
