GENERAL TERMS & CONDITIONS 2026

(ADRIATIC)

Passengers, their luggage and accompanied vehicles are carried subject to the International Treaties and Conventions and the general conditions of carriage (collectively referred to as "General Terms and Conditions") as these conditions were determined by "BLUE STAR FERRIES MARITIME S.A. & CO JOINT VENTURE" (hereinafter referred to as "the Company"). These General Terms and Conditions include exclusions and limitations of carriers' liability for death, illness or for damage to or loss of vehicles and luggage or for delay or deviation. Copies of the General Terms and Conditions of carriage of the Company are available upon request.

Timetables – Fares

Departures and arrivals are indicated in local times. Arrival times quoted indicate the time the vessel arrives at the entrance of the port. Fares and timetables are found on www.superfast.com, www.bluestarferries.com, www.hsw.gr and www.anek.gr.

If any conditions should change the Company reserves the right to make changes to the timetable, the fares and the routes or to refrain from contractual obligations without prior notice. The Company, however, is not liable for any damages resulting thereof. The aforementioned conditions include any kind of unforeseeable circumstances like an increase in fuel prices or currency fluctuation. In the unlikely event that contractual obligations may not be fulfilled, the customer is entitled to a full refund of payments made. The Company cannot be held liable for any delays caused by third parties, port authorities, or extreme and unusual weather conditions. Schedules are subject to change without prior notice.

Reservation Requirements

In compliance with international SOLAS regulations and EU Law, passengers are required to supply the following information during reservation: **Name and Surname, Gender, Date of birth, Nationality, Contact phone number, email address, Type and Registration number of vehicle (if applicable), Type of Identification (ID card, passport or other), Identification Number (ID card, passport or other).** In addition, if passengers are travelling with pets, it is mandatory to submit the Pet's Passport or the Pet's Health Certificate number.

Ticket Validity

Tickets are valid for one year from the date of travel (not issuance, print or reservation) except for tickets with special fare that have restricted validity. In the case of a replacement ticket (new travel date, conversion to an open date ticket), once or several times, the validity of the original ticket is retained. A ticket is not transferable unless otherwise provided by law. The person allowed to travel is the person named on the ticket (passage contract). Change of a passenger's name and surname on an issued ticket is not acceptable. The Company reserves the right to request passengers to present valid identification documents before travelling and will not be held liable if a passenger -other than the person entitled to travel under a ticket- who has presented identification documents to the Company corresponding to the passenger named on the ticket has travelled and/or has been reimbursed.

Exchange Rate

The fares of tickets purchased in other countries or onboard may differ due to fluctuations in the exchange rate.

Cancellations – Refunds

Cancellations can be made at the travel agency, port agency, Premium Sales Agent or at the departments of the Company where reservation and payment were made. Apart from the fuel surcharge and the environmental charge EU ETS, which are fully refundable in the event of cancellation, the refunded fare rate depends on the time of cancellation and in relation to the travel date. In particular, the following amounts are refunded:

- A 100% refund, up to 22 days prior to departure.
- A 80% refund, from 21 days up to 8 days prior to departure.
- A 50% refund, from 7 days to 24 hours prior to departure.
- The Company has no obligation to refund in case of cancellations made less than 24 hours prior to

ship's departure or if the passenger does not report at check-in.

- In the event of a partial cancellation of a round trip of which one crossing has been completed, the passenger will be refunded as above (based on the time of cancellation) for the crossing that is not completed.

- In the event of a whole cancellation of a round trip, the passenger will be refunded as above (based on the time of cancellation).

- Above refund policy is not valid to tickets issued with a special offer (e.g. Early Booking). In such cases, the cancellation terms of the offer are applicable.

Tickets can be converted to OPEN date tickets or to another departure date up to four (4) hours prior to ship's departure. If these tickets are cancelled, the date the tickets have been converted to open date or to another departure date is considered as the date of cancellation and the refund is calculated in relation to the original travel date.

For cancellations and refunds, passengers should only contact the point through which their ticket was issued, including telephone and electronic reservations, for example, to the travel agent, the port agent, the Premium Sales Agent, or the relevant department of the Company. Refunds for expired tickets are not possible. The Company is entitled to retain the total value of the ticket if the passenger interrupts his voyage at an intermediate port, unless the interruption is due to illness, accident, or force majeure.

Open Tickets

An open return date ticket, originally issued as an open, not converted to open, is valid for one year from the date of issue (not print or reservation) and is refunded, if cancelled, with a 100% refund, provided that the cancellation request is made before its expiration.

A ticket converted to an open date ticket is valid for one year from the date of travel (not issuance, print or reservation) of the initial ticket. If cancelled, the date the ticket has been converted to open is considered as the cancellation date and it is refunded in relation to the date of travel of the initial ticket.

Passengers with an open return ticket must reserve their return journey well in advance through the travel agency, Premium Sales Agent, port agency or the offices of the Company, where reservation and payment were made. Open return fares are always calculated based on the low season fare. If a passenger travels in shoulder or high season or during a period in which a new tariff is in force, then the difference between the current and the pre-paid fare has to be paid by the passenger. Reservation takes place according to availability. The Company cannot always secure the reservation of the passengers on their desired travel dates or accommodation type. Alternative travel dates or accommodation types may be offered.

Lost Tickets

In case of a lost ticket, the passenger must immediately notify the issuing travel agent, Premium Sales Agent, port agent or the Company. The reprinted ticket can only be picked up by the travelling passenger with valid identification at the port of departure.

Note: At check-in, all passengers must provide a valid original identification card or passport.

Discounts

The following passengers are entitled discounted fares: 1) infants, 2) children 4-12 years old, 3) senior citizens, 4) youths 13-25 years old, 5) members of specific automobile associations & camping clubs, 6) Eurail, Interrail, Balkan Flexipass, RIT, FIP and NRT rail ticket holders, 7) Seasmiles loyalty club members. Valid original proof that passengers are entitled to discounted fares should be presented upon reservation and during check-in. Discounts should be claimed upon reservation. After the voyage, no fare may be refunded.

Group Requests

Group fares can be requested through the Company, travel agencies and Premium Sales Agents. A group consists of a minimum of 16 passengers. For the period from 15.07 until 15.09, a group consists of minimum 20 passengers.

Unaccompanied Children

The Company does not accept reservations for children under 15 years of age who are not

accompanied by adults. Reservations for young people between 15 to 18 years of age can be accepted upon specific written permission by the parent or legal guardian for the unaccompanied voyage, which will be verified as to the authenticity of the signature. Appropriate forms are available at the Company's Customer Service department: tel.: +30 210 89 19 010, e-mail: cs@attica-group.com.

Disabled passengers

On board our vessels there are specially designed cabins with easy access and operation to accommodate disabled passengers. Due to a limited number of such cabins, it is necessary to reserve in advance. For further assistance, please call the Customer Service department.

Pets

Based on the existing legislative framework, it is mandatory to register pets traveling by vessels in the electronic Reservation System. Passengers traveling with pets must declare this when booking/issuing their tickets, so that tickets can also be issued for the pets.

According to the European regulation, the number of pets that can accompany the owner or guardian during a non-commercial journey does not exceed five [5].

On board our vessels there are a few kennels available, which are necessary to be booked in advance. Furthermore, there is a limited number of cabins available for pet carriage. It is also necessary to reserve these in advance. Unaccompanied pets are not acceptable.

Owners or guardians are required to have their pet's valid health documents with them while travelling (EU citizens are additionally required to have their EU Pet Passport) and follow all entry regulations. For all cats, dogs and ferrets a valid rabies immunization document is mandatory. For more information, please always check with your vet and your local travel agent. Pets are not allowed indoors (bars, restaurants and other public areas) or in vehicles while access to the vehicle deck is forbidden during crossings. While walking on the open decks, pets are required to wear a muzzle and be on a leash, accompanied by the pet owner or guardian. The pet owner or guardian is held fully responsible for the care, safety and hygiene of the pet and for adhering to all laws and regulations related to the above.

Furthermore, pet owners are solely responsible for any possible harm or damage caused by their animals to any third party. Excluded from the above-mentioned restrictions are assistance and therapy dogs which, as long as they are on a leash, may accompany their owner indoors without a transport cage and without a muzzle, regardless of their size. Owners must hold the appropriate certificates for these animals. Note: Carriage of live animals (other than pets) is governed by the cargo terms and conditions of the Company. For more information, passengers should contact the Customer Service department of the Company.

Campers / Caravans

The LPG/gas supply should remain closed during the trip.

Vehicles using alternative fuels

Passengers traveling with Alternative Fuel Vehicles (AFVs) must declare this when booking/issuing their tickets.

Alternative Fuel Vehicles (AFVs) include:

- a) Hybrid and battery electric vehicles that carry accumulators (batteries).
- b) Vehicles using liquefied and compressed gaseous fuels.

For purely electric vehicles, owners must ensure that the battery charge level does not exceed 40% of its total capacity during the journey on board.

For vehicles with other alternative fuels, such as LPG or natural gas, the fuel tank must not exceed 50% of its total capacity during the journey on board.

The above transportation measures also apply to unaccompanied vehicles.

The passengers-drivers of an alternative fuel vehicle (AFV) must immediately notify the crew in case they receive any alarm indication from their vehicle.

Meals & Drinks

Meals and drinks are not included in the price of the ticket.

Personal Belongings

Passengers may hand in their valuables for safe-keeping at Purser's Office, if their total value does not exceed 500€. The Company is not responsible for the loss of money or valuables left in open storage spaces or in cabins. Please, report the loss of any personal item to the Reception Desk on board during the voyage or call the Customer Service department. Personal belongings that have been left in vehicles will not be accessible during the voyage since entry to the garage is prohibited after ship's departure.

Boarding Procedure / Entry Regulations

Due to our compliance with the security regulations of the ISPS (International Ship and Port Facility Security) code, all passengers are kindly required to proceed to the embarkation area, at least 3 hours prior to the scheduled departure time. All passengers are required to present their boarding card, a valid passport or ID, their vehicle's license as well as any valid document that proves that they are entitled to discounted tickets (if they have such tickets) during check-in and to the vessel's authorized personnel. The Company reserves the Company's rights to deny embarkation to any individual who, according to the best of the Company's knowledge, does not appear to possess valid travel documents or fails to prove, beyond doubt, his/her identity. In the event of a fine being imposed on the Company by the immigration office, the amount will be charged to the passenger who failed to provide the proper legal documents. The Company cannot be held responsible in the event that authorities prevent a passenger from continuing his/her journey. In the event of immigration officials refusing entry, the passenger will be sent back to his/her departure place at his/her own expense. We would recommend that citizens of all states contact the appropriate consulate for details. Infants and children also require official documents of identification. All persons and all items brought on board the Vessel are liable to be searched. Persons refusing to comply with this demand shall be denied access on board and will be reported to the appropriate port authorities. If a passenger boarded on the Vessel wishes to disembark prior to departure, he/she must take all their carrying luggage and/or vehicle. In the case of vehicles of all kind, please bear in mind the possibility of you being unable to remove them from the vessel's garage due to their pre-arranged parking positions. Carriage of guns, cartridges, explosive, flammable, combustible and in general hazardous materials is strictly prohibited.
